WM. O'NEILL.

gress is Here.

"Bucky" O'N-ill, the nester of Poplism in Asizona, arrived in town at noon today and was greeted on every hand by his admirers, for Bucky is famed throughout the territory and even in his opponents home he has many friends.

Mr. O'Neill was most heartily received at Bi-bee and when he arrived at Tombstone with the Populist county candidates a delegation here met them and have all in tow.

"Bucky" made a pleasant call on the PRO-PECTOR and in reply to a question as to 'us prospects and Populist strength throughout the territory the moving spirit in the Pop ranks smole a smile of incredulity as he contem-Pearce. They still have mining in- plated the question coming from a Smith supporter.

> "I have be n in every city, precinct and hamlet in northern Arizona that will cast twenty-five votes or more," said he "and I find that the Pops have gained strength everywhere. I feel much enc uraged;" and it is true, Bucky has traveled over considerable country, and thus far in his campaign he say she has covered over 1000 miles on the burricane deck of a cow pony.

Mr. O'Neill takes a philosophical view of the situation, and for one who has done so much speech makthe following Arizona ing and long horseback rides, looks well and is in good spirits. He will address the neople at Schieffelin Hall tonight. Let the people turn out to

The Tyrnony of the Desk.

We will suppose that your occupation is sedentary—that your are chained, so to speak to the desk in some counting house perhaps to the loom in some vast mil here you are compelled to labor from forming to night. Sunday is your only day of relaxation. You return home bodily. Your health and strength begin election, of course, under my good fail. What will most effectually recoperate your vital energy. The weight of evidence points to no other conclusion than that Hostetter's Stomach Bitters is your satest, most reliable sheet ancher. . . was taking sides.-New York Sun. Use it persistently, and your system will oon regain its pristine vigor. Ever-unction will receive a healthful impulse. There is no remedy to equal the Bitters nevousness and want of sleep, dyspepsia, constipation and billiousness. It averts and remedies all forms of malarial disease, and is a preventive of rheumatism and neuralgia.

August Joerss, the pioneer j-weler of Bisber, came over yesterday on a short business trip. He paid the PROSESCION Office a pleasant call and left today for Ru-selville.

A letter received here the first of the week from Geo. W. Norton, of Mohawk, says: "Great excitement its rank and radical gold bug policy. was caused here yesterday by a rattlebut nevertheless it is a good newsy snake biting the oldest son of Don Mon'ans

A Heyele tire has been invented in which feathers are used. It is contended that, twhen a puncture occurs, be carried up into the puncture by the reserve of the air on the inside.

FLOOD AT WILLCOX.

Loss to Property-Probable Sait for Damages.

The following account of the late The editor of the Jersey Jamjar, storm and flood at Willcox is taken

on the curbstone in front of the pals- the stone foundation of Norton & Co,'s tial office, letting the cool air perms- main store and several inches above ate the aforesaid wisdom, when the the solid wall placed by Soto Bros. local artist was see going toward under their building after the flood 6 1894.

Since adobe wall-, particularly these sustaining great weight, cannot long "I go," returned the photographer, endure the effect of being immersed in water, it was soon evident that the only means of saving the town was by enlarging the single culvert provided the man you want elected," said the by the railroad company for the escape editor, who was opposed politically to of flood waters at this point.

The culvert timbers were accord-"No, sir; it will be a picture of the lingly blown out with giant powder and the rise of the water to a greater height thereby prevented.

Leading citizens of Willow have repeatedly appealed to the Southern Pacific Co. for additional cuiverts within the town limits and along the known that the railroad embankment acts as a levee to throw the surface water from the Graham mountains directly into Willcox.

The damage caused by this floo! cannot yet be estimated. Soto Bros. loss alone will probably reach \$1,500 or \$2,000, and it is probable that the total loss to property owners in Willcox will approximate \$5,000.

Suit will probably be brought against the Southern Pacific Co. for the damage sustained in this, the second great flood due to the company's refusal to provide a sufficient outlet for the waters of the valley."

Turpentine is said to be a sure cure for the bite of a snake. It should be put in a hottle, and the mouth being placed over the spot, the liquid brought directly in contact with the wound by inverting the bot le, which should be held there notil relief is obtained. A complete alleviation of pain has been knowe to ensue in less than a quarter of an hour.

have rainstorms during which not a old stand by-s. a single drop of water touches the earth. The raincan be seen falling from the clouds high above the desert but when the water reaches the strata of hot, dry air beneath the clouds it is entirely absorbed before failing half the distance to the ground. It is a train this evening and a grand Repubsingular sight to witness a heavy lican rally is on the program for todownpour of rain, not a drop of which touches the ground. These strange rainstorms occur in regions where the shade temperature often ranges as high as 128 degrees Farenheit,-Los Angeles Times.

From the Vidette we learn that a troop of two hundred Mexican infantry, under the cammand of Lt. Col. Hernandez has arrived Nogales and the custom house and that they will
